

The FASD Community Mobilization Committee Presents:

Changing Expectations: Working Together To Support the Student with FASD

This workshop will expand your knowledge and help you to better understand the needs of the student with Fetal Alcohol Spectrum Disorder. Topics discussed will include cognitive implications, physical and behavioural characteristics, how to support individuals affected with FASD, strategies to use in the classroom and the community, advocating for the needs of the student with FASD and improving communication between home and school.

Target Audience: Teachers, Educational Assistants, Parents, Caregivers and Individuals working with school-aged children

Wednesday, October 29th, 2008

2:00 to 5:00 p.m.

**Chesley Community Centre
129 4th Ave. SE, Chesley**

\$ 25 Registration Fee

No charge for Parents and Caregivers

**Workshop Facilitator: Dr. Karen Baker, PhD,
Clinical Psychologist with Regional Support Associates**
