

**Are you the parent or caregiver of a 3 or 4 year old?
If so, then you should read this message.**

"Let's Learn" Kindergarten Registration in Grey and Bruce Counties will happen this Fall 2011 for school entry for September 2012, for all children born in 2008 (*Junior Kindergarten*) and for those children born in 2007 (*Senior Kindergarten*), if not already registered in JK.

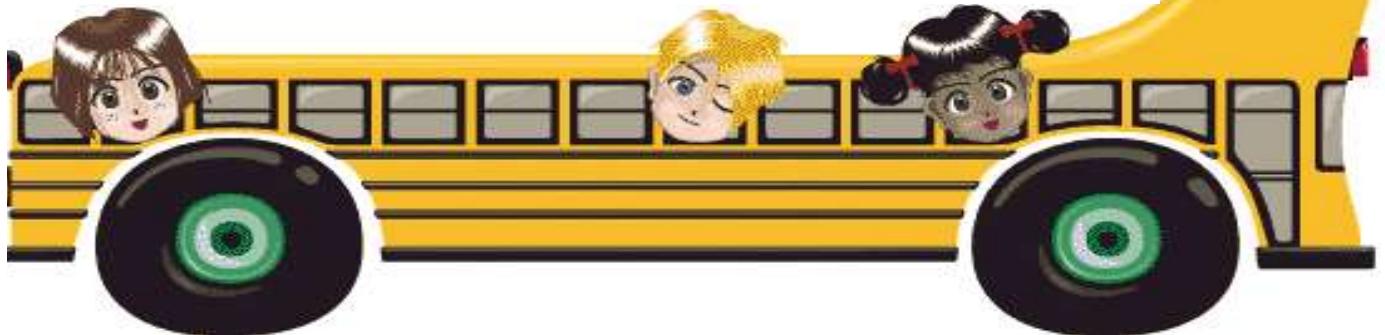

Early registration gives you time to learn what you can do to help your child get ready for school. At registration, you and your child can meet school staff, visit the school, and learn about community resources in your area.

New research tells us that the first five years of life are key to children's healthy brain development and learning. In fact, by age three a child's brain is twice as active as an adult's. Make the most of this important time! Spend time talking to, listening to, and playing with your child. Help a new generation of children spread their wings and soar through life.

Dates for Kindergarten Registrations can be found on the reverse of this page.
