

Overdose Alert

June 3rd 2022

Several suspected overdoses have occurred in our region over the past few days.

Take extra caution by:

- *Not using alone* - When using with someone else, don't use at the same time.
- *Avoid mixing different drugs* - Mixing drugs, including alcohol, increases the risk of overdose
- *Go slow* - Use smaller amounts and do test doses to check the strength of your drugs
- Get overdose prevention training & carry a naloxone kit
