

Infection Control: Breaking the web of transmission!

Start Date: 10/31/2017 8:00 AM

End Date: 10/31/2017 4:00 PM

Infection Control: Breaking the web of transmission!

HUPIC Chapter along with Public Health Ontario and Grey Bruce Health Unit are gathering all the ghosts and goblins in infection control. Come out and Join us for an education session incorporating auditing practices, handling biohazards, sharps, and linens. Be prepared for an Outbreak with the Grey Bruce Health Unit. And what are those nasty ARO's up to these days. Find out what others are doing when creepy crawlers come into your facility.

Cost: \$40.00 (participants) or \$150 (vendors)

Who: Infection Control Designates and Practitioners, Environmental Services Managers and staff
