

Grey Bruce Public Health Fall Workshop for Long Term Care and Retirement Homes

Start Date: 9/11/2024 8:30 AM

End Date: 9/11/2024 3:00 PM

Grey Bruce Public Health Fall Preparedness and IPAC Education Day for Long Term Care and Retirement Home Staff

Wednesday, September 11th, 2024

8:30am – 3:00pm

In preparation for the fall and winter season, Grey Bruce Public Health would like to invite anyone working in LTC or Retirement Homes within Grey Bruce to join us for a full day of updates, education and networking. Topics of the day will include outbreak management, outbreak preparedness, infection prevention and control (IPAC), vaccine update, cleaning and disinfection products, and IPAC resources.

This event is free and is intended for anyone working in the following CLO's LTCH or Retirement Homes.

Date : Wednesday, September 11, 2024

Time : 8:30am - 3:00pm

Registration : 8:30 am - 9:00 am

Location : Grey Bruce Public Health - Classrooms, 101 17th St. East, Owen Sound

Cost : Free

Target Audience: Long term care IPAC Leads, IPAC Champions, Retirement Home nursing staff / IPAC leads.

Registration Open : August 1 to September 4 at 12 noon
