

Situation Report #289: COVID-19

Grey Bruce Health Unit | Incident Management System

Dec. 31, 2020

Current Situation: [Provincial Lockdown as of Dec 26, 2020, 12:01am](#)

Please enjoy a safe seasonal celebration with your household, and make next year the best it can be.

Follow the 3 Ws – Washing hands frequently, Watching distance (ideally 6ft), and Wear face covering correctly, and the 2 As - Avoid Crowds and Arrange for outdoor activities instead of indoors whenever possible

The Grey Bruce Health Unit is moving to a new data reporting system in the near future aligning with the provincial Case Contact Management (CCM) that we have been piloting. There will be a short period of data adjustment to reflect the new reporting protocol.

Testing and case counts reported as of 15:30 hrs, Dec. 31, 2020:

- 8 new case(s) reported in past 24 hours in Grey Bruce; 2 – Blue Mountains, 2 – Southgate, 1 – West Grey, 1 – Neyaashiinigiing, 1 - Meaford, 1 – Owen Sound
- 491 confirmed cases to date (current cumulative total)
- 33 active case(s)
- 17 Active Probable Cases. Probable cases are not lab confirmed, but are symptomatic and are high-risk contacts of an active case.
- **142 High Risk Contacts associated with active cases.**
- 429 recovered cases – 29 cases referred to other health units
- 2 confirmed case(s) from Grey Bruce currently hospitalized
- 0 death(s)
- 41 cases reported in Health Care Workers working in Grey Bruce

Active Outbreaks:

- 0 Facility(ies) in COVID-19 outbreak. Reported in [Long-Term Care/Retirement Homes](#)
- 1 Facility(ies) in COVID-19 outbreak. Reported in [Schools](#)
 - Normanby Community School in Ayton
- 0 Facility(ies) in COVID-19 outbreak. Reported in [Childcare Centres](#)

Actions Taken In the Past 24 Hours:

- A new Grey Bruce Health Unit webpage on [COVID-19 Vaccines](#).
- [Guidance for Multi-Unit Dwellings during COVID-19](#) (updated)
- [COVID Test Comfort Measures](#) (new)
- [Food Premise Operation during COVID-19 Lockdown](#) (new)

- Public Health has been actively engaged to support schools with ongoing updates and consultation meetings with local Boards and officials from all schools in Grey and Bruce
- GBHU COVID-19 Team continue with case and contact management, reporting, and responding to COVID-19 related calls. Contact tracing exceeds provincial targets with 100% of all cases contacted within 24 hours
- GBHU Team continue to ensure essential public health activities not related to COVID-19

Provincial COVID-19 Data - <https://covid-19.ontario.ca/data>

- Data at a provincial level specifically captures COVID-19 cases based on the geography that the client was diagnosed/tested
- [Local Data](#) as reported in the Grey Bruce Situation Report captures COVID-19 cases that require case management by the Grey Bruce Public Health Unit.

Situation Report #282: COVID-19

Grey Bruce Health Unit | Incident Management System

Dec. 24, 2020

Current Situation: [Ontario Public Health Classification Level Yellow](#) – [Provincial Lockdown as of Dec 26, 2020, 12:01am](#)

Please enjoy a safe seasonal celebration with your household, and make next year the best it can be.

Follow the 3 Ws – Washing hands frequently, Watching distance (ideally 6ft), and Wear face covering correctly, and the 2 As - Avoid Crowds and Arrange for outdoor activities instead of indoors whenever possible

The Grey Bruce Health Unit is moving to a new data reporting system in the near future aligning with the provincial Case Contact Management (CCM) that we have been piloting. There will be a short period of data adjustment to reflect the new reporting protocol.

Testing and case counts reported as of 15:30 hrs, Dec. 24, 2020:

- 9 new case(s) reported in past 24 hours in Grey Bruce; 3 – Saugeen First Nation, 2 – Brockton, 1 – Saugeen Shores, 1 – Kincardine, 1 – Georgian Bluff, 1 – Owen Sound
- 3 Case previously reported as positive are now deemed false positive, and have been removed from case totals and municipal case counts
 - Outbreak at Village Senior Community declared over due to false positive results
- 459 confirmed cases to date (current cumulative total)
- 32 active case(s)
- 14 Active Probable Cases. Probable cases are not lab confirmed, but are symptomatic and are high-risk contacts of an active case.
- 143 High Risk Contacts associated with active cases.
- 403 recovered cases – 24 cases referred to other health units
- 3 confirmed case(s) from Grey Bruce currently hospitalized
- 0 death(s)
- 41 cases reported in Health Care Workers working in Grey Bruce

Active Outbreaks:

- 1 Facility(ies) in COVID-19 outbreak. Reported in [Long-Term Care/Retirement Homes](#)
 - Errinrung Long-Term Care Home, Thornbury
 - The Village Seniors Long-Term Care, Hanover Declared Over
- 1 Facility(ies) in COVID-19 outbreak. Reported in [Schools](#)
 - Normanby Community School in Ayton
- 0 Facility(ies) in COVID-19 outbreak. Reported in [Childcare Centres](#)

Total		430	31	6	399
<p>Lab Confirmed Cases* include cases in Long-Term Care/Retirement Home facilities Active cases indicate those cases that we are aware of, and are confirmed positive. Resolved cases indicate those confirmed cases that are no longer active, and are no longer in isolation or requiring isolation, or those that have been referred to another Health Unit. There is evidence of community spread within all municipalities. Always practice safety: Wash Hands, Watch your Distance, Wear a Face Covering.</p>					

Situation Report #276: COVID-19

Grey Bruce Health Unit | Incident Management System

Dec. 18, 2020

Current Situation: [Ontario Public Health Classification Level Yellow](#)

Stay Calm, Stay Kind, Stay Well

Follow the 3 Ws – Washing hands frequently, Watching distance (ideally 6ft), and Wear face covering correctly, and the 2 As - Avoid Crowds and Arrange for outdoor activities instead of indoors whenever possible

The Grey Bruce Health Unit is moving to a new data reporting system in the near future aligning with the provincial Case Contact Management (CCM) that we have been piloting. There will be a short period of data adjustment to reflect the new reporting protocol.

Testing and case counts reported as of 15:30 hrs, Dec. 18, 2020:

- 3 new case(s) reported in past 24 hours in Grey Bruce; West Grey, South Bruce, Meaford
- 422 confirmed cases to date (current cumulative total)
- 29 active case(s)
- 6 Active Probable Cases. Probable cases are not lab confirmed, but are symptomatic and are high-risk contacts of an active case.
- 200 High Risk Contacts associated with active cases.
- 370 recovered cases – 23 cases referred to other health units
- 4 confirmed case(s) from Grey Bruce currently hospitalized
- 0 death(s)
- 37 cases reported in Health Care Workers working in Grey Bruce – one removed as re-testing confirmed false positive

Active Outbreaks:

- 1 Facility(ies) in COVID-19 outbreak. Reported in [Long-Term Care/Retirement Homes](#)
 - Lee Manor Long-Term Care Facility, Owen Sound
- 0 Facility(ies) in COVID-19 outbreak. Reported in [Schools](#)
- 0 Facility(ies) in COVID-19 outbreak. Reported in [Childcare Centres](#)

Actions Taken In the Past 24 Hours:

- [MOH Seasonal Message Video](#)
- Media Release [COVID-19 Celebrate Differently this Year](#)
- Public Health has been actively engaged to support schools with ongoing updates and consultation meetings with local Boards and officials from all schools in Grey and Bruce
- GBHU COVID-19 Team continue with case and contact management, reporting, and responding to COVID-19 related calls. Contact tracing exceeds provincial targets with 100% of all cases contacted within 24 hours
- GBHU Team continue to ensure essential public health activities not related to COVID-19

Provincial COVID-19 Data - <https://covid-19.ontario.ca/data>

- Data at a provincial level specifically captures COVID-19 cases based on the geography that the client was diagnosed/tested
- [Local Data](#) as reported in the Grey Bruce Situation Report captures COVID-19 cases that require case management by the Grey Bruce Public Health Unit.

Situation Report #262: COVID-19

Grey Bruce Health Unit | Incident Management System

Dec. 4, 2020

Current Situation: [Ontario Public Health Classification Level Yellow](#)

Stay Calm, Stay Kind, Stay Well

Follow the 3 W's – Wash hands frequently, Watch your distance (ideally 6ft/2m), and Wear face covering correctly; and the 2 A's - Avoid Crowds and Arrange for outdoor activities instead of indoors whenever possible

The Grey Bruce Health Unit is moving to a new data reporting system in the near future aligning with the provincial Case Contact Management (CCM) that we have been piloting. There will be a short period of data adjustment to reflect the new reporting protocol.

Testing and case counts reported as of 15:30 hrs, Dec. 4, 2020:

- 5 new case(s) reported in past 24 hours in Grey Bruce; Grey Highlands – 2, Huron Kinloss, Meaford, Blue Mountains
- 358 confirmed cases to date (current cumulative total)
- 31 active case(s)
- 8 – Active Probable Cases
 - Probable cases are not lab confirmed, but high-risk contacts of an active case, and also symptomatic
- 1 Indeterminate new case
 - If confirmed as positive, will be added to totals
 - If confirmed as a false positive, will not be added to the totals
- **191 High Risk Contacts associated with active cases.**
- 310 recovered cases - 17 cases referred to other health units
- 0 confirmed case(s) currently hospitalized in Grey Bruce
- 0 death(s)
- 37 cases reported in Health Care Workers working in Grey Bruce

Active Outbreaks:

- 1 Facility(ies) in COVID-19 outbreak. Reported in [Long-Term Care/Retirement Homes](#)
 - Golden Dawn Senior Citizen Home (Long-Term Care)
- 0 Facility(ies) in COVID-19 outbreak. Reported in [Schools](#)
- 0 Facility(ies) in COVID-19 outbreak. Reported in [Childcare Centres](#)

Actions Taken In the Past 24 Hours:

- Public Health has been actively engaged to support schools with ongoing updates and consultation meetings with local Boards and officials from all schools in Grey and Bruce
