

# WELCOME - WE ARE OPEN!

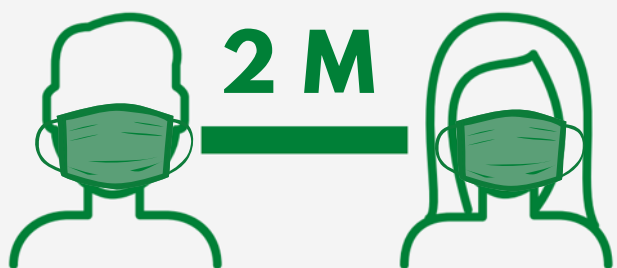

**To protect the health and safety of clients and staff we have taken the following steps:**

- ✓ Frequent cleaning and disinfection.
- ✓ Creating a space that supports physical distancing, including seating arrangements.
- ✓ Staff have been trained on measures to keep everyone safe, like frequent handwashing and wearing a mask.
- ✓ Staff are screened daily for symptoms and stay home if sick.

**Please do your part to keep everyone safe when visiting us.**

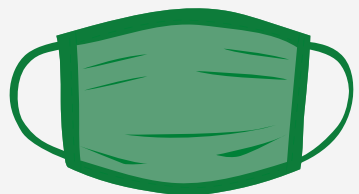

If you are sick, stay home and visit us when you are finished self-isolating.

Practise physical distancing by keeping a distance of 2 metres (6 feet) from others.

Wash your hands often with soap and water or use an alcohol-based hand sanitizer.

Wear a mask for the whole visit.

Provide your contact information so Public Health can contact you if contact tracing is needed.
