

CONTACT WITH A MENTAL HEALTH PROFESSIONAL

OF GREY BRUCE RESIDENTS
SAW A MENTAL HEALTH
PROFESSIONAL IN THE PAST YEAR

LOCAL RATES SIMILAR TO ONTARIO RATES

Grey Bruce residents and Ontarians are similarly likely to have seen or talked to a health professional about their emotional or mental health in the past year.

NOTES:

1. The following local estimates were suppressed due to small sample size and could not be compared to Ontario:

- Contact with a mental health professional among 12 to 17 and 34-49 year-olds

2. Data source: Canadian Community Health Survey, 2015-16
