

# Situation Report #379 COVID-19

Grey Bruce Health Unit | Incident Management System

March 31, 2021

**Current Situation:** Grey Bruce is in the **Green- Prevent Zone** in the Ontario COVID-19 response framework.

**Follow the 3 W's – Wash hands frequently, Watch distance (ideally 6ft), and Wear face covering correctly, and the 2 A's – Avoid Crowds and Arrange for outdoor activities instead of indoors whenever possible.**

**The Situation Report data aligns with the provincial Case and Contact Management (CCM) systems. [Click here](#) for details.**

Testing and case counts reported as of 23:59 hrs, March 30, 2021:

- 12 new case(s) reported in past 24 hours in Grey Bruce: 4 Blue Mountains, 4 Owen Sound, 1 Georgian Bluffs, 1 Saugeen Shores, 1 South Bruce, 1 South Bruce Peninsula
- 827 confirmed cases
  - Includes 46 cases of Variants of Concern (VOC), 16 active
- 65 active case(s)
- **532 active high-risk contacts** (“it takes a tremendous amount of effort to manage this number of high risk contacts. This number will keep increasing, unless we limit, starting today, our unprotected encounters with all people outside of our own households” Dr. Arra)
- 758 resolved cases
- 4 confirmed case(s) hospitalized in Grey and Bruce due to COVID-19
  - 2 Grey-Bruce residents hospitalized outside of Grey and Bruce
- 4 deaths
- 83 cases reported in health care workers; reports health care workers living in Grey Bruce and working both in and outside Grey Bruce

## **Vaccine - [Website](#) - [The Grey Bruce Health Unit COVID-19 Vaccination Program Plan](#)**

- **28,888 total doses of COVID-19 vaccine administered in Grey and Bruce including yesterday's single day high of 2369**
  - [Vaccine Progress March 29 \(publichealthgreybruce.on.ca\)](#)
- Vaccine Shipment Week of March 29: **5850 doses**
  - Please note the 5980 doses of vaccine received may yield additional doses. Additional doses may be drawn from vials of certain vaccine products (e.g. 10 dose vial yielding 11 doses for Moderna). e.g. a shipment of 100 vials can yield any number between 1000 doses and 1100 doses.
  - We exhaust all doses we receive before the arrival of the next shipment with the exception of a small percentage to ensure sufficient supply of vaccine for clinics scheduled at the beginning of the following week. Shipments are not guaranteed to arrive on the same day each week.

## Future Vaccination Planning:

Vaccine rollout: [Weekly Vaccine Schedule - March 29](#)

- For week of March 29, vaccinations will focus on: clients 75+, First Nation Communities and First Nation Clients not living in First Nation Communities, Long-Term Care Home staff, residents and essential caregivers (2<sup>nd</sup> dose). Stage 2 anticipated to begin booking on April 1. Further updates to be provided as details on process emerge. Stage 2 Priority included here: [Vaccine 3 Phase Plan \(publichealthgreybruce.on.ca\)](#)
- Notes:
  - Those turning 70 this year or older, born 1951 or earlier, can make appointments through the provincial on-line booking system for COVID-19 vaccinations at <https://ontario.ca/bookvaccine>. Those without access to the internet can call the toll-free number 1-888-999-6488.
  - Clients without a Health Care Provider or a Health Care Provider outside Grey Bruce, should call the toll-free number 1-888-999-6488.
  - **For more information, please view the following:** [Implementation of Provincial Booking System Across Public Health Units | Ontario Newsroom](#)
  - **For detailed Frequently asked questions – visit:** [Book Vaccine Appointment \(publichealthgreybruce.on.ca\)](#)
  - **Appointments are not available by calling your healthcare provider. Appointments are not available by calling the Health Unit.**
  - **No one will be left out.**

## Active Outbreaks:

- 1 Facility(ies) in COVID-19 outbreak. Reported in [Hospitals](#)
- 0 Facility(ies) in COVID-19 outbreak. Reported in [Long-Term Care/Retirement Homes](#)
- 0 Facility(ies) in COVID-19 outbreak. Reported in [Schools](#)
- 0 Facility(ies) in COVID-19 outbreak. Reported in [Childcare Centres](#)

## Actions Taken In the Past 24 Hours:

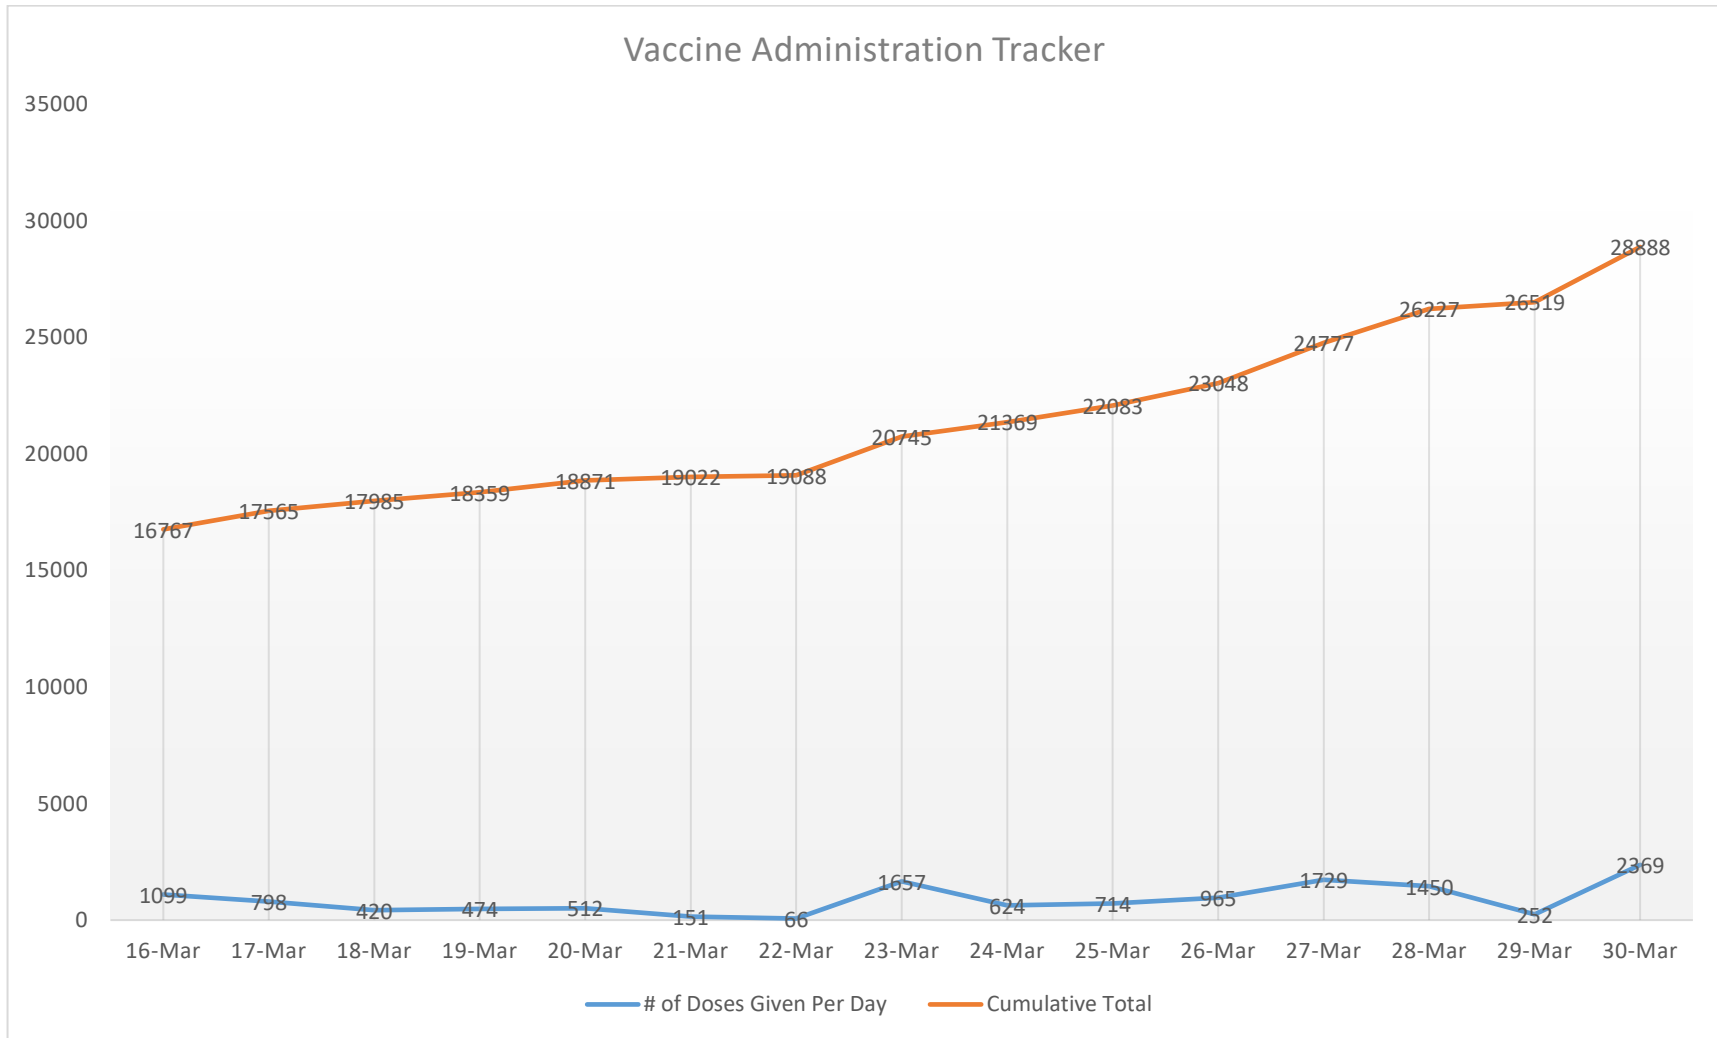

- Media Release - [COVID-19 Associated with St. Anthony's School - Update](#)
- Media Release - [COVID-19 Associated with Ripley-Huron Community School](#)
- Public Health has been actively engaged to support schools with ongoing updates and consultation meetings with local Boards and officials from all schools in Grey and Bruce
- GBHU COVID-19 Team continue with case and contact management, reporting, and responding to COVID-19 related calls. Contact tracing exceeds provincial targets with 100% of all cases contacted within 24 hours
- GBHU Team continue to ensure essential public health activities not related to COVID-19

# Situation Report #373 COVID-19

Grey Bruce Health Unit | Incident Management System

March 25, 2021

**Current Situation:** Grey Bruce is in the **Green- Prevent Zone** in the Ontario COVID-19 response framework.

***Follow the 3 W's – Wash hands frequently, Watch distance (ideally 6ft), and Wear face covering correctly, and the 2 A's – Avoid Crowds and Arrange for outdoor activities instead of indoors whenever possible.***

***The Situation Report data aligns with the provincial Case and Contact Management (CCM) systems. [Click here](#) for details.***

Testing and case counts reported as of 23:59 hrs, March 24, 2021:

- 9 new case(s) reported in past 24 hours in Grey Bruce: 2 – Owen Sound, 2 – Brockton, 1 – Arran-Elderslie, 1 Grey Highlands, 1 – South Bruce, 1 – South Bruce Peninsula, 1 – The Blue Mountains
- 781 confirmed cases
  - Includes 29 cases of Variants of Concern (VOC), 15 active
- 48 active case(s)
- 151 active high-risk contacts
- 730 resolved cases
- 4 confirmed case(s) hospitalized
- 3 deaths
  - New Death reported – The Individual acquired the infection outside of Grey and Bruce and was treated in a separate jurisdiction. The death was assigned to Grey Bruce as the provincial Case and Contact Management system (CCM) assigns the death to the individual's home municipality.
- 82 cases reported in health care workers; reports health care workers living in Grey Bruce and working both in and outside Grey Bruce.

## **Vaccine - [Website](#) - [The Grey Bruce Health Unit COVID-19 Vaccination Program Plan](#)**

- 21369 doses of COVID-19 vaccine administered in Grey and Bruce
  - [Vaccine Progress March 22 \(publichealthgreybruce.on.ca\)](#)
- Vaccine Shipment Week of March 22: **5850 doses**
  - Please note the 5850 doses of vaccine received may yield additional doses. Additional doses may be drawn from vials of certain vaccine products (e.g. 10 dose vial yielding 11 doses for Moderna). e.g. a shipment of 100 vials can yield any number between 1000 doses and 1100 doses.
  - We exhaust all doses we receive before the arrival of the next shipment with the exception of a small percentage to ensure sufficient supply of vaccine for clinics scheduled at the beginning of the following week. Shipments are not guaranteed to arrive on the same day each week.

## Future Vaccination Planning:

Vaccine rollout: [Weekly Vaccine Schedule - March 22](#)

- For week of March 22, vaccinations will focus on: Health Care Workers; Clients over 80 and over 75; and, First Nation Communities and First Nation Clients not living in First Nation Communities, Retirement and Long-Term Care Home staff, residents and essential caregivers (2<sup>nd</sup> dose), chronic homecare recipients.
- Notes:
  - Those turning 75 this year or older, born 1946 or earlier, can make appointments through the provincial on-line booking system for COVID-19 vaccinations at <https://ontario.ca/bookvaccine>. Those without access to the internet can call the toll-free number 1-888-999-6488.
  - Clients without a Health Care Provider, or whose Health Care Provider is outside Grey Bruce, should call the toll-free number 1-888-999-6488.
  - **For more information, please view the following:** [Implementation of Provincial Booking System Across Public Health Units | Ontario Newsroom](#)
  - **For detailed Frequently asked questions – visit:** [Book Vaccine Appointment \(publichealthgreybruce.on.ca\)](#)
  - **Appointments are not available by calling your healthcare provider. Appointments are not available by calling the Health Unit.**
  - **No one will be left out.**

# Situation Report #367 COVID-19

Grey Bruce Health Unit | Incident Management System

March 19, 2021

**Current Situation:** Grey Bruce is in the **Green- Prevent Zone** in the Ontario COVID-19 response framework.

**Follow the 3 W's – Wash hands frequently, Watch distance (ideally 6ft), and Wear face covering correctly, and the 2 A's – Avoid Crowds and Arrange for outdoor activities instead of indoors whenever possible.**

**The Situation Report data aligns with the provincial Case and Contact Management (CCM) systems. [Click here](#) for details.**

Testing and case counts reported as of 23:59 hrs, March 18, 2021:

- 0 new case(s) reported in past 24 hours in Grey Bruce
- 737 confirmed cases
  - includes 14 cases of Variants of Concern (VOC), 8 active
- 16 active case(s)
- 101 active high-risk contacts
- 719 resolved cases
- 1 confirmed case(s) hospitalized
- 2 deaths
- 82 cases reported in health care workers; reports health care workers living in Grey Bruce and working both in and outside Grey Bruce.

## **Vaccine - [Website](#) - [The Grey Bruce Health Unit COVID-19 Vaccination Program Plan](#)**

- 17985 doses of COVID-19 vaccine administered in Grey and Bruce
  - [COVID-19 Vaccine Progress in Grey Bruce March 15](#)
- Vaccine Shipment Week of March 15: **1500 Moderna and 2340 Pfizer doses**
  - Please note the 2340 doses of Pfizer vaccine received may yield additional doses. Additional doses may be drawn from vials of certain vaccine products (e.g. 10 dose vial yielding 11 doses for Moderna). e.g. a shipment of 100 vials can yield any number between 1000 doses and 1100 doses.
  - We exhaust all doses we receive before the arrival of the next shipment with the exception of a small percentage to ensure sufficient supply of vaccine for clinics scheduled at the beginning of the following week. Shipments are not guaranteed to arrive on the same day each week.

## Future Vaccination Planning:

Vaccine rollout: [COVID-19 Vaccine Schedule for the Week of March 15](#)

- For week of March 15, vaccinations will focus on: Community Health Care Workers; Clients over 80; and, First Nation Communities and First Nation Clients not living in First Nation Communities.
- Notes:
  - Those turning 80 this year or older, born 1941 or earlier, can make appointments through the provincial on-line booking system for COVID-19 vaccinations at <https://ontario.ca/bookvaccine>. Those without access to the internet can call the toll-free number 1-888-999-6488.
  - Clients without a Health Care Provider, or whose Health Care Provider is outside Grey Bruce, should call the toll-free number 1-888-999-6488.
  - **For more information, please view the following:** [Implementation of Provincial Booking System Across Public Health Units | Ontario Newsroom](#)
  - **For detailed Frequently asked questions – visit:** [Book Vaccine Appointment \(publichealthgreybruce.on.ca\)](#)
  - **Appointments are not available by calling your healthcare provider. Appointments are not available by calling the Health Unit.**
  - **No one will be left out.** We are working closely to ensure all our priority populations are serviced.

## Active Outbreaks:

- 0 Facility(ies) in COVID-19 outbreak. Reported in [Long-Term Care/Retirement Homes](#)
- 0 Facility(ies) in COVID-19 outbreak. Reported in [Schools](#)
- 0 Facility(ies) in COVID-19 outbreak. Reported in [Childcare Centres](#)

## Actions Taken In the Past 24 Hours:

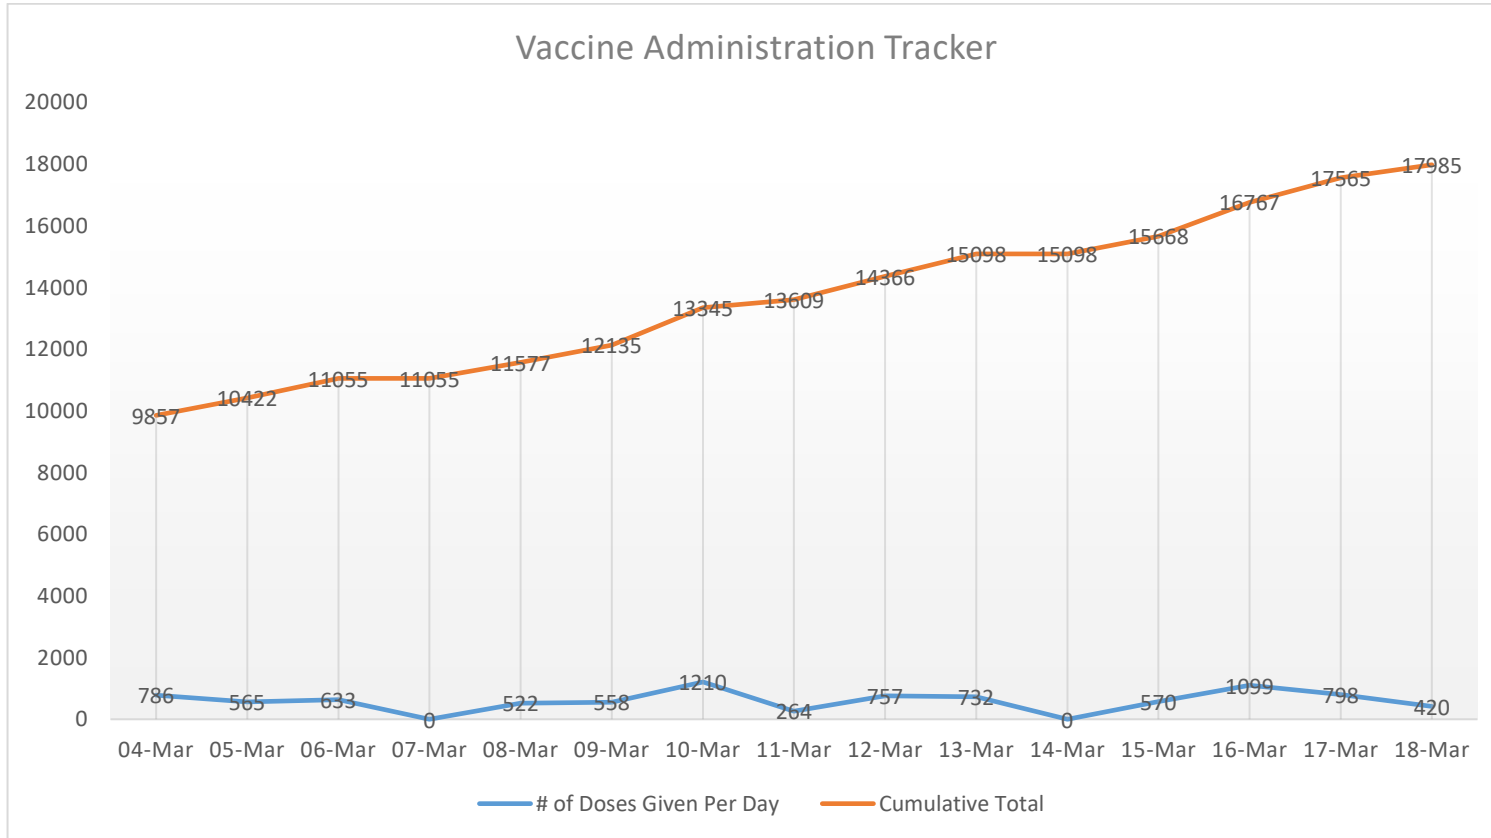

- Public Health has been actively engaged to support schools with ongoing updates and consultation meetings with local Boards and officials from all schools in Grey and Bruce
- GBHU COVID-19 Team continue with case and contact management, reporting, and responding to COVID-19 related calls. Contact tracing exceeds provincial targets with 100% of all cases contacted within 24 hours
- GBHU Team continue to ensure essential public health activities not related to COVID-19
